

The Kyrstin Elizabeth Fund

Named for Kyrstin Elizabeth Eachus, the Fund fills a special need at Share of Lancaster. Monies from the fund are distributed to families who are in need of financial assistance to meet burial and funeral costs when a baby dies. This Fund is particularly designed to serve those families who may not qualify for the regular Share Burial services, such as those whose babies have died from SIDS.

Parents interested in applying for a funeral/burial expense grant from the Kyrstin Elizabeth Fund should request an application and further information from their funeral director. Parents may also contact Share directly with any questions regarding the Fund at (717) 823-2789 or llhrnwbh@comcast.net.
