Share is an integral partner in the journey to hope and healing*

Share of Lancaster, Inc.

There are few wounds in life as deep as those caused by the death of a loved one. When that loved one is your baby, the grief can be unimaginable and enduring. This grief may be compounded when the loss is minimized by society.

Share of Lancaster exists to bring comfort and understanding to families who have suffered the loss of a child through miscarriage, pregnancy complications, prematurity, stillbirth, SIDS and any other cause. We stand by parents in their journey of grief, offering a helping hand, a listening ear and open arms. Share is a place to bring a broken heart and begin a journey of healing.
